

One Master Ministries Board Meeting

Saturday, March 9, 2019, 8:00 am

Present: Carey Northington, Kurt Braun, Chris Sultan, Adam Langdon, and Jeanne Brandon

Absent: Andrea Northington

DECISIONS:

1. **MSC (Chris Sultan, Kurt Braun)** – to approve the minutes from the September 2017 Board meeting.

AIRINGS (Discussions with no decisions):

1. Devotion and Prayer led by Adam
 - a. Discussion on a comparison of the discipline found in Hebrews 12:5-13 and the purpose of a fever - based on Adam's thoughts on redeeming a "lost" week due to illnesses in his family
 - b. A fever signifies an atypical problem needing to be addressed --> discipline shouldn't be regarded lightly (vs 5)
 - c. A fever drives out something bad that doesn't belong --> discipline is for our good; to share his holiness (vs 10)
 - d. A fever creates unpleasantness for a time --> discipline, for a moment, is painful rather than pleasant, but yields the peaceful fruit of righteousness (vs 11)
 - e. A fever needs time to do its work --> discipline isn't a place to stay; focus on the purpose of the discipline, on Godly things, so as to be healed (vs 12-13)
2. Financial Review
 - a. OMM is in a good financial position with a healthy savings account and primary checking account - God is faithful!
 - b. All expenses remained very much within budget; a \$5500 surplus is available should there be any deficits through the remainder of the fiscal year
3. Future, Current, and Past Activities
 - a. The ministry refocus toward financial coaching has been a great source of joy, especially helping others setup online budgeting; specifically Mvelopes
 - b. While still a Ramsey Solutions Master Financial Coach, Carey is no longer paying the \$59/month to get referrals or access to the training calls
 - i. He did not believe it to be worth the investment, though it is a good ministry
 - ii. He has better success with word-of-mouth filling his coaching opportunities
 - c. The Foundations in Personal Finance class for homeschool students has been very fruitful through discussions centered on basic principles and the spiritual components of money
 - i. Feedback from students and parents has been encouraging
