## One Master Ministries—Ohio

January 20, 2017

TO HELP OTHERS MAKE  
JESUS THEIR ONE MASTER

**MATTHEW 6:24:** "No one can serve two masters. Either he will hate the one and love the other, or he will be devoted to the one and despise the other. You cannot serve both God & Wealth."

## A New Initiative in 2017 for OMM

"For am I now trying to win the favor of people, or God? Or am I still trying to please people? If I were still trying to please people, I would not be a slave of Christ." Galatians 1:10

You may recall that last August I went through an intense 3-day financial coach training that was followed up by a 3-month long mentoring process. After that I was approved and became a *Ramsey Solutions Master Financial Coach*.

As a result of this new designation, we have changed and improved our ministry reach. One, we began *Northington Coaching* to reach people who may not normally come to a ministry for financial coaching. Two, we have re-organized *One Master Ministries* to be a low or no-cost alternative to *Northington Coaching* for those who are unable to afford regular coaching rates.

This combination has already produced results. Since we started this new arrangement the first of 2017, we have already received 16 referrals from Ramsey Solutions from people who need financial help—that's almost one/day that we were not getting before.

Please pray for this new initiative to open doors for the gospel and to minister to people in Jesus' name. The potential ministry that may flow out of this has already invigorated me to expect God to do great things!

## Ministering to Others in Jesus

| Andrea and I recently met with a woman whose husband decided to leave her and the family. Through tears and pain, she shared her story with us. We tried to help her sort through options with her home and finances for the future for her and her children.

| Using Career Direct, parents now have more insight into their teenagers and how God has designed them to do something unique. They are hopeful for God's direction for college and a future career for their children.

| A couple whose finances were chaos just 18 months ago (bankruptcies, stress, threat of divorce) are now helping to co-lead a finance class with me. Please pray for them as they continue to trust God to change them from the inside out.

*Grateful for you,*
