TO HELP OTHERS MAKE
JESUS THEIR ONE MASTER

MATTHEW 6:24: "No one can serve two masters. Either he will hate the one and love the other, or he will be devoted to the one and despise the other. You cannot serve both God & Wealth."

"I Was Stuck..."

"I was stuck. Almost 5 years of ongoing medical needs had depleted any money I had been able to save. I had never learned how to live by a budget or even how to think about spending money on a day-to-day basis. I started using my credit card to cover the bills and meet my monthly spending needs.

After doing that for a couple years, I had considerable credit card debt and no savings. I was in trouble. I heard about a class offered on financial stewardship at my workplace. Carey led the class. I was so glad to finally be getting practical and Biblical principles by which to live & understand how to steward my finances.

After the class, I still needed help to know how to apply these principles in my situation. I asked Carey if he would be willing to meet with me. He helped me understand how to create a budget and a spending plan. Carey helped me stick with it and helped me through my hang-ups and misunderstandings I had about budgeting.

Within only 8 months I was able to get out of debt and begin to save for future emergencies. Now after a year, I have hit my initial savings goals and no longer have the weight of financial stress on my shoulders. I am able to tithe from each paycheck and am now excited to start thinking about giving beyond my tithe. I am so thankful that God brought someone like Carey into my life when I was at my lowest point, to faithfully and patiently walk with me through my frustrations and areas of helplessness." Notes and Prayer Needs

- ◆ We want to highlight a ministry that we support called *International Justice Mission (IJM)*. They do wonderful work all over the world rescuing people out of human slavery. We encourage you to visit their website at www.IJM.org.
- ◆ Thank you for praying for my (Carey) bible study with the men at the TreeHouse who are taking steps to get clean from heroin addiction. Please continue to pray for them and me. We are having some good time in the Word of God as their hearts are being transformed by our Savior!
- ◆ Please continue to pray for *Northington Coaching* which is our financial & career coaching business set up and designed to partner with OMM. We are trusting the Lord to make clear how these two are to integrate and work together.

Grateful for you,

Carey & Andrea
