TO HELP OTHERS MAKE  
JESUS THEIR ONE MASTER

**MATTHEW 6:24:** "No one can serve two masters. Either he will hate the one and love the other, or he will be devoted to the one and despise the other. You cannot serve both God & Wealth."

## A New Financial Class Starts

"It's not about the money." Every time we begin another financial class this truth comes to mind.

Then what is it all about? It is about a person's heart. "Man does not see what the Lord sees, for man sees what is visible, but the Lord sees the heart."

1 Samuel 16:7

Last night as everyone shared why they were there, a story and journey with God was behind every person that led them to this moment. God, in His grace, placed us together on each of their journeys. Who knows what the Lord has in store for us over the next 9 weeks together.

Would you please pray with us that God will accomplish His purposes in each person? Pray that marriages will be healed, that hearts would turn back to the Lord and that each person will make Jesus Lord and Master in every area of life.

## Thank you financial investors of OMM!

At the beginning of July, we asked many of our monthly, quarterly, and annual ministry partners to consider increasing your support by 10% or more per month. Although we do not normally discuss our ministry's financial situation in this newsletter, we thought this would inform and encourage you.

Our heart was to share the need and then truly trust that each person/family would do as God leads whether that was a 'yes' or 'no' to increasing. We trust God that He did that! So far we reached our goal all but \$50/month! Wow! Thank you for each person's generosity! And, as we mentioned to those who were not led to increase now, we are so very grateful for what you do give. No one person's gift is better than another. It is all in God's perfect plan and is such a great help to us and those we serve through this ministry.

If any of you want to increase your giving at any time, please just let us know by email or text at our contact info below.

Grateful for you,

Carey & Andrea
