## ***Weekend to Remember* conference**

When was the last time you got away to focus on each other? For us it's been awhile. So we are going to FamilyLife's *Weekend to Remember* marriage conference in Dayton November 10-12.

Why don't you join us this fall at a conference, too? Maybe it's not in Dayton but at a location near you. Go to [FamilyLife.com](http://FamilyLife.com) and click on Events to find one. Use our Group Name **ONENESS** to save \$100!

**ENTER A DRAWING for a free registration to the marriage conference (a \$300 value)!** If you have given to OMM in 2017, just text us at 937-477-6861 to enter!!

## **Ministry Update**

- + This Sunday we are finishing up our financial study. Please pray every participant will finish strong and apply what God has taught them.
- + Carey is beginning to write more articles for the local newspaper and the OMM website. We are grateful for the opportunities.
- + More and more parents are asking for help with their high school children's career choice through our tool, Career Direct.
- + We are co-leading our teen ministry at our church. We've been discussing current events in light of Scripture and how to respond as young people. We are encouraged that God is at work.

## **Celebrating 20 Years**

We were just talking the other day about how God has been faithful through the years. It was 1997 (20 years ago) that we experienced our first full year of ministry together.

Through the years, whether you started with us back then or joined us along the way, we are grateful for you.

May the Lord use us all to continue to share the good news of Christ to those who need Him so much!

Grateful for you,

*Carey & Andrea*
