

# The Northingtons

*"No one can serve two masters. Either he will hate the one and love the other, or he will be devoted to the one and despise the other. You cannot serve both God & Wealth." Matt 6:24*

## *Ministry Update & Perspective*

We are so very grateful for each one of you and how you continually lift us up in prayer, encouragement and financial support. You have an important role in our lives and in this ministry God has called us to.

*One Master* is not just the name of our ministry but it is at the very heart of what we hope and pray for each person who comes across our path – that in every way, each person will submit to the Lordship of Jesus Christ in every area of life.

Jesus said it best in Matthew 6:24 that we cannot serve two masters. In many of Paul's greetings and the first part of his letters, he refers to himself as "a slave of Jesus Christ" or

"a slave of God". Our heart is that, with the same joy Paul and other early disciples experienced, we would likewise think of ourselves in the same way – that of a slave, willing to do whatever our Master tells us to do.

As we meet with individuals and couples through our ministry, we see people wanting help in the area of money and possessions. They know the way they have been handling their finances has not worked and they realize they need help. Asking for help from someone else is a good indicator of a heart ready to receive more from the Lord.

Recently we had the opportunity to minister to people who are separated in their marriages, others who are already divorced and needing to begin a new life, and then others who want to be more faithful with what God has entrusted to them. We have also begun to work with someone with a very difficult physical disability and depression. What great opportunities God has brought to our door to minister to real needs in our world.

Please continue to pray for each of these and others who we are ministering to through *One Master* and that we also will submit to the Lord Jesus daily. Thank you so much for your prayer support and financial support. God uses you as our lifeline in many ways.

*With Love & Grace,*

*Carey & Andrea*
