Marriage & Money

Greetings! Last weekend, we set up a table at the *Weekend to Remember* marriage conference talking with couples about money & marriage.

Several couples stopped by the table to share struggles and also successes in their marriages related to money issues.

There seemed to be a consensus that there is a need out there for a focus on money in marriage from a biblical perspective.

Several couples took advantage of the *Weekend to Remember* scholarship we offered to you and others in our last newsletter through a very generous donor.

The **scholarship is still available** for you and others you may know. It includes the conference registration cost and one night in the hotel. Please go to www.FamilyLife.com/Weekend for a list of the 93 conference locations around the country in the future. If you or someone you know is ready to register, please email us at carey.northington@gmail.com.

As a family, we wanted to have a special prayer time for Katie (17) as she moves into young adulthood.

We gathered one evening with a good friend of Katie's and her family to pray and bless them.

We see Katie growing in her relationship with God and we covet your continued prayers for her.

Much love and gratefulness,

Carey, Andrea & Girls
