

The Northingtons

with *One Master Ministries*

Greetings from Xenia, Ohio!

We want to highlight some friends - Matt & Kara Spitz. We met Matt & Kara several years ago early in their marriage. We remember them coming over to our home and sitting on our couch asking for counsel in the area of biblical stewardship. They sincerely wanted to do it right. How refreshing that was!

Our girls have babysat their children off and on through the years in different settings. Matt & Kara also asked us to speak to their small group a couple years ago on biblical stewardship. Carey & Matt have met one-on-one numerous times to encourage each other in their roles as husbands, fathers, and leaders.

In the last few years, Matt & Kara began a unique custom furniture business creating beautiful tables and other high quality pieces called ***The Matthew Tamerisk Collection***. Check out their website at <https://www.matthewtameriskcollection.com/>.

“Kara and I have known Carey and Andrea for 10 years and have admired their family from day one. Carey is a wealth of wisdom and Godly perspective when it comes to biblical stewardship and I would endorse One Master Ministries without hesitation. I consider Carey a mentor and a friend.”

During this fall season as well as a Presidential Election, we encourage everyone to take time to vote on Nov. 3rd if you haven't yet. Let's continue to pray for our country that we will submit to the Lord Jesus Christ in every way.

Blessings in Christ,

Carey & Andrea
