

THE NORTHINGTONS

with *One Master Ministries*

Summer Additions to our Family

Rachel M. and Emma K. are living with us for nine weeks this summer. As you may know, the world headquarters of Athletes in Action (AIA) is right here in our hometown of Xenia, Ohio. athletesinaction.org

Rachel and Emma are interns with

AIA this summer in between college semesters. Rachel's sport is running and is from Albuquerque, New Mexico majoring in sports management. Emma is a marketing major and volleyball player from Ft. Worth, Texas. They are two of 15 interns from all over the country serving and learning how to use the platform of sports to reach others for Christ.

We have enjoyed having them in our home and hearing all that God is teaching them day-to-day. Please pray for them that the Lord would do a great work in their hearts, the lives of the other interns, and those they come into contact with through their service.

Fall Marriage Conferences

It's not too early to begin considering attending a fall FamilyLife marriage conference. Scholarships are still available for any couple who would like to attend the "Weekend to Remember." familylife.com/weekend, Contact us for more information by July 31 for a fall conference.

Budget Coaching Training with YNAB

Carey applied and was accepted by "You Need A Budget" (www.ynab.com) to go through their budget coaching training. It begins this month and ends in August. This is the budgeting tool we use with all our clients. We use this ourselves and know it well but this course will give Carey an opportunity to interact with YNAB's coaching staff and learn more details to better serve those we work with through our ministry.

Gracie and Katie on Summer Missions

Our two middle daughters, Gracie (21) and Katie (20) are both away on a summer mission. Gracie is in Juneau, Alaska with Cru and Katie is in Branson, Missouri also with Cru.

Please pray for them as they get to know and live with the other students and staff. They also have jobs so they can interact with co-workers and customers to build relationships and share the gospel of Christ. The Cru staff build into them through Bible studies and giving them opportunities to learn to share their faith by going out into the communities.

Prayer for those we Serve

Please pray for those clients we serve through our ministry. Some of them are Deb, Beth, Jody, JT, Denise, Meg, Amy, Brian, Laurie, and Jerome.

Pray the Lord will give us wisdom as we minister and teach them God's way of handling money. Pray for each one to yield to His Holy Spirit in every area of life, including money and possessions.

Blessings in Christ,

Carey & Andrea
