## Marriage Conference Opportunity

*One Master Ministries* continues to value marriage based on God's timeless design. Whether you have a good marriage and you want to make it better or you have a marriage that needs a little more work, we want to take the obstacle of finances out of the equation. A generous donor has provided funds for anyone to use for the registration and at least one night lodging. Go to [www.familylife.com/weekend](http://www.familylife.com/weekend) for more information on the conference and then contact us about registering.

The two couples here recently attended the conference. Be encouraged by what God did while they were there.

**Austin & Brooke:** *"We went to the Weekend to Remember in Asheville, NC in early June. It was SUCH a joy-filled weekend for both of us... so very refreshing, and the conference was super encouraging and inspiring. Thank you SO much for gifting us with that! It was really, really good for us and we're so thankful!"* – married less than 2 years

**Monty & Melanie:** *"We enjoyed the Weekend to Remember Conference in Cincinnati. We were reminded that oneness in marriage is a continual process. We were able to acknowledge the positive changes we have experienced in our relationship (26 years) and yet recognized areas we can improve in our communication and understanding of one another."*

*Thank you, One Master Ministries, for providing an opportunity to grow in our marriage relationship."*

## Summer Educational Course for Carey

This summer Carey is taking a course by the budgeting software we use – You Need A Budget (YNAB). Carey is in a cohort with 3 trainers from YNAB and about 25 students. It's the first of it's kind offered by the company. So far it's been a great help to Carey as he continues to develop his skills of helping people in the area of money and possessions for God's glory.

Blessings in Christ,  
*Carey & Andrea*
