A TESTIMONY OF GOD'S GRACE

We are so grateful to the Lord for you, our ministry partners, who pray and give so we can do what God has called us to do. Thank you for faithfully partnering with us. Because of the Lord using you, we can come alongside folks like our friend, Laurie, below...

"In July 2021 I fell and broke my arm and could not work for several months. I also went through a divorce and finances got very tight. My church was very generous in helping me financially. However, my finances still were coming up short. I had never budgeted this small amount of money before and it was very stressful. I was panicking a lot and not sleeping. I was a mess and needed help.

In March 2022, I was referred by my church to Carey & Andrea with One Master Ministries. They began to meet with me and are such a blessing to work with. They put me right at ease and are really good at what they do. They are not judgmental and take the time to listen.

After meeting consistently since the spring, my finances have improved tremendously. I have paid off several bills and am feeling so much better about my finances. I would recommend Carey & Andrea and their ministry to anyone who needs help learning to budget to honor the Lord."

Please pray for Laurie and for us that we can continue to love and support her with the encouragement of the Lord.

Blessings in Christ,

Carey & Andrea
