Helping Others Experience Spiritual and Financial Freedom

Getaway For Our Marriage

We have been married for 3 years, and we were invited to attend the conference by friends who were also going. We were excited for the opportunity to spend a weekend together to connect and receive encouragement for our marriage. The conference exceeded our expectations. The speakers shared with humility and humor from their own struggles and victories, and we had time to reflect as a couple. We left feeling hopeful of the unified, joyful marriage that we can have when we place Christ at the center of it.

Austin, Ari, & Rosie

“No marriage is static. Each day, each choice — you’re either moving closer together, toward oneness ... or coasting farther apart. At the intersection of a faith-based marriage conference and romantic retreat from everyday life, Weekend to Remember helps couples do just that — choose oneness. Whether you’re sending up an SOS for marital rescue or looking to foster an already flourishing connection, Weekend to Remember is your best next step toward being, and staying, one.”

We’ve been to several of these “Weekend to Remember” conferences personally. There are 75 locations around the U.S. Through our ministry we can offer a large discount to those who attend. Please contact us for more information for you personally or someone you know. ~ Carey & Andrea

Andrew & Gracie

Our daughter, Gracie, was involved with *Cru as a finance student at Wright State University. It was a life-changing experience as she continued to grow in her faith. Through Cru, she met Andrew Huebner. After they graduated in 2023 they began a one-year internship with Cru working with college students. In December Andrew asked Gracie to marry him! They are planning a July wedding and are looking forward to interning a second year with Cru. We are excited to welcome Andrew into our family!
