TO HELP OTHERS MAKE
JESUS THEIR ONE MASTER

MATTHEW 6:24: *"No one can serve two masters. Either he will hate the one and love the other, or he will be devoted to the one and despise the other. You cannot serve both God & Wealth."*

Stewarding God's Design: Cymp Stemple

Cymp Stemple (pronounced like 'Symp') is a long-time friend of ours who has been on staff with CRU, along with her husband Scott, for many years. They spent 19 years in Ukraine as missionaries and about 4-5 years ago moved to Xenia.

Back in March 2016, Cymp sent me an email asking to go through Career Direct. I administered the assessment, sat down with her and Scott and went over the results. It was exciting to see how Cymp was wired for business and serving people. One of the aspects of our ministry is to help people discover God's unique design and how that fuels a person's occupation.

Cymp said about the Career Direct process: *"Carey is great!! He is caring, knowledgeable and leads you well through the assessment. He makes an overwhelming task of changing professions as simple as it possibly can be!"*

God began to stir in Cymp a desire to open a business where she can use her entrepreneurial leanings for God's purposes.

She is planning to open "Coffee Hub" in June where she will serve coffee, tea and home-made baked goods. Cymp said, *"I want it to be a place where people can come together. Our world is so divided at times right now. I want it to be a place where people can sit across from each other. Maybe I don't look like you, but I want to love you. I want it to be a place where the community gathers. That's my heart."* If you live locally, plan to come out and support this new business/ministry!

Normally the Occupational Assessment I administer is \$220 and the Educational version (for students 16+) is \$160. Right now I can provide it to financial ministry partners for \$99. Contact me about it and we can discuss. Go to www.onemaster.org for more information.

Prayer Needs & Concerns

- ◆ Please pray for Cymp and Scott as they continue to get everything ready and use this opportunity for God's glory!
- ◆ Also pray for my (Carey) parents. Dad had a stroke on July 4th and had another complication about a month ago that he is recovering from at home. Many of you who know them may like to reach out to express your love and concern. Mom is so busy caring for Dad, a note would be most appreciated rather than a phone call. Thank you!

Grateful for you,

Carey & Andrea
