

The Northingtons

with *One Master Ministries*

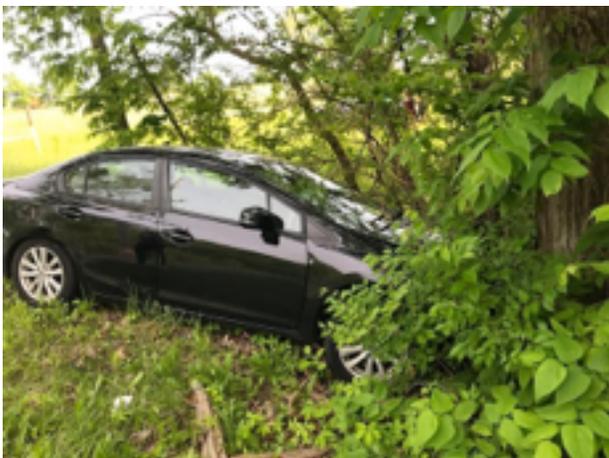

We'd like to introduce you to a friend and partner in ministry, Scott Simons. Scott, Debbie and their kids live outside of Dayton in Centerville, Ohio.

"I have had the pleasure to know Carey and Andrea and count them as friends for the last 12 years. I admire their diligent personal stewardship example and Carey's wise and patient way of coming alongside others as they seek to make spending decisions and balance their monthly priorities. Over the years Carey has helped hundreds of people consider their spending and seek to be better stewards of what God has entrusted them with.

I have had a unique relationship with Carey over the years as we both serve in the area of finance. I serve as a financial advisor and count it a privilege to help others as they plan and invest for the future. I have referred dozens of our clients over the years to Carey including doctors, retirees, and young professionals. From putting in place a system to know where their money is going, to helping prioritize monthly spending decisions, Carey is willing to get into the details with our clients. I truly value his input and the opportunity to work together to serve our clients and ultimately our Lord."

Scott & his team at Financial Counseling, Inc do a tremendous job of helping their clients prepare for the future. God has allowed us to partner together through the years and it has been a great blessing. Scott may be contacted by going to www.financialcounselinginc.com or calling 937.748.8710.

We are grateful for God's protection over Hannah when someone pulled out in front of her last month.

Her airbag deployed and her car was totaled, but she and the other driver are okay. We are giving thanks to the Lord for her safety!

Prayer Requests:

1. Hannah is serving as a camp counselor this summer.
2. Gracie, Katie, & Emma will be serving for a week in July at a "Joni & Friends" family retreat. This is a ministry to families with children who have disabilities.
